ABOUT

EMMY Nominated Prosthetic Designer & Special Makeup Effects Department Head J. Anthony Kosar is a member of the **IATSE Local 476** with over 23 years of experience. Through his company Kosart Studios, he has worked across the continent, from NY to LA and from Canada to Mexico, creating the highest quality, custom makeup FX for film, television, web media, photography, advertising, and theater. He specializes in all forms of makeup FX, including hyper-realistic age, character, believable likenesses, true-to-life trauma, blood gags of all sizes, and creative fantasy, sci-fi, and horror creature FX. Kosar also produces award-winning illustration, concept art, and sculpture.
